RELATIONSHIP OF CASES**

Pursuant to notice provided October 17, 2018, the Court hereby ORDERS that case number 18-cv-06275 is related to case number 18-cv-06272.

Both of those cases are also referred to the Honorable Edward Chen to determine whether they are related to case number 18-cv-06251 and/or case number 18-cv-06252, both of which involve nearly identical complaints naming different defendants. Any party may file a response to the issue of whether the cases are related no later than November 19, 2018.

If Judge Chen determines that those cases are not related to the cases currently assigned to him, they will be reassigned to a randomly selected United States district judge.

IT IS SO ORDERED.
